Traditional ADN Entrance Exam: HESI A2

The examination is designed to be taken without preparation – as a test of general knowledge necessary to be successful in a nursing program. It is designed to be taken while a student is nearing completion of their required nursing prerequisite coursework

- **Sections:** Will test in three main academic areas:
 - Basic Math Skills (50 questions)
 - Reading Comprehension (50 questions)
 - Anatomy and Physiology (30 questions)
 - Learning Profile* (29 items) - will not be used as part of the admission criteria.
- **Minimum Score:** must score 75% (Satisfactory) or higher in each of the three sections.
- **Preparation:** If you would like to prepare in advance, an examination preparation guide is available for purchase through Elsevier: Evolve or you may access a preparation guide through the Southeast Community College Library (LRC), which has several copies on reserve. Elsevier: Evolve also provides test remediation after a first attempt for future test attempts. See the HESI Remediation Walkthrough document available on the ADN Program webpage.

LPN to ADN Entrance Exam: Mobility Exam

This is a 75-item comprehensive exam for Licensed Practical nurses seeking entrance into the LPN to ADN program option. This exam identifies strengths and weaknesses in PN content areas and the possible need for remediation prior to entrance.

- **Content areas:** Fundamentals, Pediatric Nursing, Maternity, Professional Issues, Medical-Surgical, Psychiatric / Mental Illness
- **Minimum Score:** must score 850 (Acceptable) or higher
- **Preparation:** Advanced preparation is recommended. Students are encouraged to review previous nursing coursework material. An NCLEX-PN Review book can be used to prepare for this exam.
