

# Clearing Browser Cache

## Clearing the Cache in Chrome:

1. Click the icon with the 3 vertical dots\* in the upper-right corner.
2. Click **More Tools > Clear browsing data.**
3. At the top, choose **All time** as the time range.
4. The default boxes can be left checked
5. Click **Clear data.**

*\*If Chrome needs updated, the 3 vertical dots will be replaced with an exclamation mark.*

## Clearing the Cache in Firefox:

1. Click the Menu button with the 3 horizontal lines from the upper-right corner.
2. Click **History >**
3. Click **Clear Recent History**
4. Ensure that the time range to clear is **“Everything”** and that all five items are checked under **“History”**
5. Click **“OK”**

## **Clearing the Cache in Microsoft Edge**

- 1. Click the Settings and more icon in the upper-right corner (it will be 3 horizontal dots)**
- 2. Click Settings from the menu**
- 3. Click the Privacy, search, and services link on the left**
- 4. Under Clear browsing data, click on Choose what to clear**  
**-The default boxes can be left checked, ensure that “All time” is selected under Time range**
- 5. Click the Clear Now button**
